

**phet free online physics chemistry biology earth** - *what is phet founded in 2002 by nobel laureate carl wieman the phet interactive simulations project at the university of colorado boulder creates free interactive math and science simulations,*  
**forces and motion basics force motion friction** - *explore the forces at work when pulling against a cart and pushing a refrigerator crate or person create an applied force and see how it makes objects move change friction and see how it affects the motion of objects,* **velocity time graphs complete toolkit** - *the physics classroom the laboratory velocity time graphs lab using a motion detector students explore the shapes of velocity time graphs for various types of motion*
